Hampton Rovers AFC is affiliated with the Victorian
Amateur Football Association and the
Moorabbin Saints Junior Football League.

FOUNDATION

Hampton Rovers Amateur Football Club first started as an organized activity for the First Hampton Scout Group by Norm (Boss) James in 1918. The Scout Group's main theme was to promote football as a team game and encourage self confidence, self control and a desire to improve a player's ability. This is similar to the current philosophy used by Hampton Rovers today.

Initially, games were played socially against other Scout Groups and then in the Association Sub-district competition. But, as the incentive to pay higher standard became apparent, another competition was sought and in 1933 Hampton Rovers was admitted to the Metropolitan Amateur Football competition which later became the Victorian Amateur Football Association.

In 1963 the Club changed from the Ludstone Street ground to the corner of David Street and Bluff Road, our present home.

In 1979 the Club started its youth policy by introducing junior teams in an effort to provide an extensive link with the local community and to provide a development scheme for our senior side. Since 1979 27 premierships, including two this season, have been won.

Thus, from humble beginnings, the Players, Committee and loyal Supporters have nurtured Hampton Rovers over many years and assisted in creating the strong Family Club we are today.

SENIOR PRESIDENT'S REPORT

The season got underway back in October 2000. A fresh coaching panel comprising Norm Goss, Kevin Goss, Sam Holt, Tony Naumoff, Paul Curry, John Harris and Russell Greene set the early standard with a rigorous pre-season package that set the side up for a solid year. The professional approach adopted by this panel showed through right from the start of the season where fitness was taken to a new level and our results on the field supported the hard pre-season. The early arrival of Billy Campbell heralded a new focus on statistics and his tireless work throughout the year provided Norm and the team with vital information and the club with a new mate.

Pre-season saw the return of many of the regular faces that are so important to the success of any football club. The Rovers are blessed with their fair share and it did not take long for the "Light Ice Twins" Basil Guy and Graham Carr to surface. Basil's experience in the field of registration is invaluable and Graham keeps attendance records better than any school principal could as long as you're not more than ten feet away. Peter Blick took over the mantle of team manager of the 1's and really lifted the fashion stakes on the field at training. His use of hair gel in tight situations got him out of trouble more than once during the season. Max Grimmer stepped into the 2's role and along with numerous other roles was his ever reliable self. Max still found time to bark out the odd instruction or two but I think deep down he really has enjoyed the football club this year. Steve Guy stepped into the breach with the under 19's team manager's role and his experience was to prove invaluable to the coaching panel. His work with the juniors in a similar role should not go unnoticed nor his ability to drink the odd heavy beer, unlike dad who with Carry is to be found in the corner of the can bar drumming up a groundswell of discontent over the proposed non-smoking rule introduced from 1st July 2001.

Match day brings with it a whole range of volunteers who quietly surface and make a president very proud to be associated with this great club. Athol Porter who makes the long trip to the top of the stairs to man the timekeepers clock for the 2's. Gordon McGregor who sneaks out from behind the scoreboard for the main game and more often than not is able to ensure that we are in front at the day's end. Our well to do four wheel drive club who continuously make sacrifices on the outer hill in supplying cooling refreshments and the offer of a tow for any who might get bogged during the afternoon only to then face the daunting task of hurdling the two foot six fence to cross the ground for more of the same in the clubrooms. The Domino Crew Don Scarlet, Steve Johnson and Harry Streat who have given so much already to the club but still find the time to help raise much needed money that is required to run an amateur club. The Domino luncheons this year raised \$10, 000.00. A special thanks to Leftie (Peter Wright) who made the supreme sacrifice and fell so beautifully thus creating the name for this outstanding fundraiser. A special mention to Freddie Green who always seems to bob up with something of benefit to the club or help out with the needs of someone around the club. Thanks to Sue Anderson, my eyes at amateur headquarters, who keeps me posted with points of interest, fines that are pending, and generally keeps an eye on me. It's comforting to know I can make a call on Monday morning and always get a direct response to a problem I might have.

A big thanks to Kevin and all the oilers. I may have asked and expected too much of Kevin at the start of the year but rarely did he ever complain and he has built a stable crew of willing workers who have got to the root of most problems. Some more successful than others. but I suppose the odds were against Raucous. He deserves a wrap and is the epitome of a fine clubman. Given his study commitments and carrying a serious knee injury, his work around the club both during the week and on match days should be applauded.

Congratulations to Norm Goss and his coaching panel. Their professional approach to both training and match day duties is reflected in the success attained this year. Norm along with Tony Naumoff (Reserves

Coach) have been re-appointed for the season 2002 and negotiations with under 19's candidates has been resolved with Norm and Tony re affirming the clubs commitment in Paul Curry and re-appointing him for 2002. The club and committee wishes all coaches well in 2002 and offers their full support to the quest for success next year.

Congratulations to Steve Anderson, Denver Artz and the nominated club leaders in demonstrating a professional approach to their football. The maturity shown by these players both on and off the field no doubt reflected in the overall result at year's end. To all players associated with the club, thank you for your support and loyalty. It's now time to tread new ground and explore your capabilities. Let's enjoy the experience that lies ahead.

A special thank you to Jan McGregor who continues to be a quiet achiever. Picking up the records to slicing bread rolls on Thursday evenings for the players. Even a spell check of the draft constitution is all in a day's work for Jan. It's hard not to be impressed with the performance of our bar manager Tony Johannsen. His work ethic this year along with the smart recruiting of excellent personnel ensured that everything ran smoothly. The end of year financial figures are sure to prove just how successful the year with Tony has been. It should also be noted that Tony has been "adopted" by the committee and has become very much part of the team.

On mentioning team players one such person immediately springs to mind. What a wonderful contribution Troy Lynch has made this year. Always there to assist with whatever task was asked of him and many of those were tasks that others would have shied away from. Thanks also to Michelle for her efforts in assisting behind the bar at busy times and all the little things that go unnoticed by the majority.

A big thank you to both Vicki Pucella and Bill Vaughan who together made cold Thursday nights a pleasure with hot pasta sauce and an abundance of fresh bread rolls. The "ground force" crew must also be thanked for their season's efforts. Alan Lake, Michael Lake, Denis Flynn and Jason Cave provided solid support all year and Alan's winning efforts in particular were outstanding and resulted in him ultimately winning the 2001 Best Clubman Award.

Another innovation to an already impressive vote count has been the introduction of live footage to the proceedings along with other "factual" snippets of information. Congratulations to both Nick Williams and Don Lake for their efforts in putting together a wonderful package that had everybody's attention. A production of that standard at club level is enormous and to do it nineteen times is a great effort.

The "sweeper" in the whole package is David Rogerson who quietly goes about his business with a no fuss approach to his duties. Rogo always has the clubrooms looking their best and that is no small achievement in a club as large as ours. He has also offered great support to Norm Goss acting as runner and revving the lads up on match days. Rumour has it that he is looking for a leadership role in the Club XV111 of 2002!!!!!!

Many thanks to Dominic Devola and all the fruity crew at Devola's. Dom is always on hand with a fruit box whether it is on match day for the players or for a late minute raffle prize. Also thanks to the Ripepi family who made the effort to supply much of the same for the Saturday lunches. Joe's big into the strawberry business so the new clubrooms might encourage the odd strawberry or two!!!

Appreciation for their continued support goes to the club's chefs. Whilst not eager to pit them against the "naked" variety for a number of reasons, their commitment to the club's well being is gratefully acknowledged. Thanks to both Mick Anglim and Billy Mirabito for their help throughout the year.

It is said in football circles that a successful football club is created out of a strong committee. In 2001 a blend of new and old came together and helped the club achieve the ultimate prize. Whilst this is the club's primary goal, there have been a significant number of milestones that have been undertaken this year. Some of those have been:

- Establishment of a coaching selection panel, which resulted in the wonderful coaching package on offer this year.
- Canteen re-structure and the re-vamping of the Saturday lunches.
- Bar re-structure resulting in significant profit margin increases.
- Complete overhaul of the Club constitution.
- Successful application for both Government and Bayside Council grants totalling \$100,000.00 and the push for the club extensions.
- Complete review of sponsorship packages including the introduction of "in house" sponsorship advertising.
- New football jumpers and appropriate sponsorship packages.
- Tabling of discussion papers re the introduction of a Club XV111 team.
- Continuing development of the Hampton Rovers web site managed by Cam Voss.

To Scott Hamilton, John Blangiardo, Jenny Voss, Ian Lawrence, Fran Tregear, Wayne Stafford, Max Grimmer, Barry Bird, Drew Anderson, Steve Helliger, Cam McGregor and finally our Junior President John Cesario a huge thank you. I look forward to long and lasting friendships with you all and am already blessed with many great memories in the time we have spent together.

As thank you's go, I've saved the most important till last. I'm a tough assignment at the best of times but footy season requires a new level of patience. To Iza in particular, Lizzie and Leisha thanks for tolerating me. I wouldn't survive without your support and encouragement.

Congratulations to John Cesario and his junior committee on their efforts in promoting the sixteen junior sides this year. I'm sure John will be much the wiser for the experience and I look forward to a close relationship with him and the junior committee as we aim to promote the values of the "family club". Premiership flags are a rare commodity and a win at the junior end (John's Under 9's) and the senior end (Norm's Senior side) shows that the club is a very progressive unit. To all the committee, family and friends at junior level, I wish you every succession the season to come.

At the start of this year I set a number of goals that I hoped we could reach. The first of those was to return to B grade in 2002 and that has now been achieved. The second was to be the best district side in the competition, which can be achieved next season, and ultimately our aim is to return to A grade. If we are to be seen as an emerging force in the VAFA then our thirst for success and our commitment on and off the field must continue. I believe as a club we have developed a solid infrastructure that has us on the right path and I urge all those associated with the club to get on board and join us on the journey as we strive for the success so keenly sought by all.

BILL JOWETT
PRESIDENT HRAFC

TREASURER'S REPORT

Season 2001 has been a dynamic year for the Hampton Rovers Football Club. It has been an exciting year with a senior flag and the confirmation that the clubroom extensions will be completed in the off-season. Personally it was a pleasure to be involved in the on field and off field success of the club.

As was the case last year Steven Helliger was the assistant treasurer and John Blangiardo worked as the club's financial advisor. I would like to thank both for their efforts throughout the year. The senior and junior committees work tirelessly to raise and collect funds and I would like to thank everyone involved.

The finances of the club are combined between the junior and senior levels, as it is difficult to split the sources of many revenues and costs. It is important that both levels continue to work together to share the resources of the club.

This year the club operated at a deficit overall, with total revenue down compared to last year. However, there were certain areas, which showed significant improvement on previous years. The deficit was a result of higher running costs along with less revenue in certain areas, particularly Raffles/Fundraising and the Kiosk. The club managed additional fundraising of over \$21,000 for the building fund (see report), making the task of fundraising directly for the club more difficult.

The financial performance of the Bar and social events was significantly better than last year. The bar turnover was well up on the last two years and the margin achieved was excellent. Congratulations to Tony Johannsen and his team for the tight management of the bar and the impressive result. Thanks also to Cameron McGregor for organizing social functions, vital for raising revenue over the bar. It is important the performance of the bar is maintained in 2002.

This year the running of the kiosk was tendered out to an external party (BT Event Catering) for the first time. At a glance this appears to be a failure financially. The revenue raised was disappointing for both the club and BT. However, the arrangement with BT included a \$2500 sponsorship, along with catering for the Presidents lunch (see Note # 2). Using an external party also saves our volunteers the time and pressure of running and administrating the kiosk. The arrangement is currently under review for next year.

Sponsorship revenue improved this year whilst costs remained virtually the same. Thanks to everyone who sponsors the club, the revenue raised is crucial. Thanks to Ian Lawrence who I am confident will increase sponsorship revenue again next year through the various packages made available to potential sponsors.

Subscription revenue was improved this year. Once again the juniors very successful at collecting subs early in the season, whilst the seniors need to improve in this area.

Training, medical and coaching expenses were increased this year. These areas are vital for the club to achieve our goal of becoming a successful team in the top grades. To compete we need the best medical and coaching staff available. This year we had the most professional coaches and medical staff in the clubs history and the result was the two senior sides in the grand final, a flag, and promotion to B Grade.

Overall, the performance of the club financially was reasonable given the building fund needs and the rising costs in operating a football club of this size. Revenue must be increased next year as the club strives to become more successful and provide better facilities for all players and supporters.

DREW ANDERSON – TREASURER

Hampton Rovers A.F.C. Inc.

Balance:	<u>\$ 61,692.12</u>

ADDITIONAL FINANCIAL REPORT TO THE CLUB'S PROFIT & LOSS STATEMENT (BUILDING FUND)

The Hampton Rovers Profit and Loss Statements for the last two financial years need the following foot-note clarification:

Although the Club accounts show a profit of \$6,212.25 in the financial year ending 30th September, 2000, and a net loss of \$1,869.74 for the financial year ending 30th September, 2001, there are additional revenues purposely not included in both financial years. Additional funds were raised through the normal course of each football financial year that were earmarked for the future Building Fund costs, and therefore banked directly into the newly created Building Fund Account with MLC, of which the current balance, after expenses, is \$55,342.12.

The additional net revenues raised and banked for the last 2 financial years are as follows:

1/10/99-30/10/00 –

13/7/00	Fund Raising Revenue	\$2,900-00
14/8/00	Fund Raising Revenue	\$4,165-00
6/9/00	Fund Raising Revenue (Aust Sports Foundation)	\$1,881-00
18/9/00	Fund Raising Revenue	<u>\$ 100-00</u>

<u>Total additional income raised during this period-</u>	\$8,046-00
---	------------

1/10/00-30/10/01 –

27/10/00	Fund Raising Revenue	\$1,820-50
27/4/01	Fund Raising Revenue	\$5,383-00
19/9/01	Fund Raising Revenue	\$ 250.00
25/9/01	Fund Raising Revenue	<u>\$14,242.76</u>

<u>Total additional income raised during this period-</u>	\$21,696.26
---	-------------

A further \$34,971.90 was raised in the years preceding the last two (i.e. 1998 & 1999).

The Football Club has raised, over the last four years, in addition to its normal day-to-day operating revenue and expenditure, \$67,444.95. The Cricket Club has raised \$5,000.50 so far. Therefore, the combined funds raised is \$72,444.98, less building cost out-goings to date of \$12,064.00. This figure includes architect, surveyor and associated costs required to obtain Council's approval to the clubroom extensions.

The source of funding this football season has been from the following avenues:

- 1) Major combined football/cricket club auction night which raised a net \$14,492.76. A special committee of Junior/Senior committee/parents and cricket club committee personnel organised a very successful night.
- 2) A “Buy a Brick” program for the non – self employed parents/individuals and for businesses. All funds received from individuals were sent to the Commonwealth Government “Australian Sports Foundation” who in turn pay all the funds less 5% back into our Club’s building fund account. By doing this, individuals could claim a tax deduction on their contribution, in addition to the recognition of a Bronze, Silver or Gold coloured brick placed on the wall in the new clubrooms. Businesses would receive the same recognition in the form of advertising their businesses.
- 3) The final source has been the Card Game raffle in the clubrooms, where a minor proportion has gone directly to the building fund this year. The remainder indirectly would be distributed to the building fund after club profits from its normal Profit and Loss statement.

The objective for next year is to review and improve on our fund raising efforts.

In conclusion, we believe the additional revenue raised and banked in the MLC Building Fund account, over the last two years, clearly demonstrates the Club’s ability to generate additional income outside of its normal day-to-day operating revenue and expense needs, to service the estimated debt level of \$150,000.00 required to complete the clubroom extensions and fitting out.

JOHN BLANGIARDO
FINANCIAL ADVISOR

BAR REPORT

It was another great year for the Club, both on and off the field. The bar sales were strong and so too was the profit margin, which hopefully means we made some money!

A few key changes made by the new committee enabled us to get a more accurate view of our profit. This means that these figures are a truer indication of just how the bar is run.

A big thank you to my staff, Glenn, Dave and Michelle and to everyone else who volunteered at various stages throughout the season.

Thanks also to the committee who always supported by decisions and never questioned my methods. Special thank you to Scott Hamilton who did far more than his fair share of hours behind the bar and always helped out at a moment's notice.

Finally, I would like to thank the players who put in hard on the field this year and (like every year), put in extremely hard off the field!!!

Thanks guys, we wouldn't have a club without you!

TONY JOHANSEN
BAR MANAGER

2001 SPONSORS

Football clubs could not survive without sponsors. On behalf of all at Hampton Rovers Amateur Football Club, a big thank you and we look forward to your continued support in 2002.

“C” GRADE VAFA PREMIERS

First of all I would like to thank and congratulate all the players both senior and reserves for their efforts – both game day and training nights throughout the year.

Winning a Grand Final is difficult and requires enormous commitment from a range of people.

I take this opportunity to congratulate all the trophy winners for their fine year.

I thank team leaders, Stephen Anderson and Denver Artz, for their professional conduct both on and off the field. They never came to training without a positive attitude and as a coach I thank them for making my life easier.

I’ve always said a coach needs to surround himself with good people and I had plenty of good people this year. Sammy Holt, “Gusher” Kevin Goss and Wayne Stafford were people I knew from past experience and their input was invaluable.

“Freddy” Naumoff and David Rogerson were people I didn’t know but have shown 110% commitment and loyalty to me and the club. They are completely driven by success for the club.

I would like to thank John Harris for his first class fitness training. I know our fitness levels were the best in “C” Grade.

Kevin and his training staff were organized and efficient and Mick “the physio” towards the end of the year was first class.

My stats man Billy Campbell, (even though cautioned on his accuracy by a small group of players), was terrific and an asset around the club.

My team manager, Peter Blick, remains a mystery to me. I’m not quite sure what he does but he does it without ruffling his hair. My thanks go to Peter and Max Grimmer for all their efforts. A special mention to Jenny Voss for doing any assignment she was given quickly and without fuss. The same goes for Jason Cave who did a fine job as interchange steward.

Thanks must go to our President, Bill Jowett, and his Committee for their total support throughout the year.

Finally, I would like to say to the players I believe there is still improvement in them. I personally believe we have only scratched the surface of what this group can achieve.

Next season will be difficult but should be approached with high goals in mind.

RESERVES

There are many people to thank, as is the case with all football seasons. I'd like to start by thanking my family for their continued support of my passion to coach football. To Di, Sarah, Robert and David it all started as soon as season 2000 ceased. Can't help myself!!

When I received a phone call from Norm Goss about the opportunity to be part of the seniors for 2001, I took it with open arms, as I was not about to knock back the opportunity to work with Kevin Goss, David Holt, Wayne Stafford, Russell Greene and John Harris. What an experience it was. Even Peter Blick experienced the art of work in his role of the seniors team manager. Well done Blicky.

Norm – Thanks for the opportunity & support

With a coaching panel like that, it was always going to be an eventful year. The new coaching group with new training methods, giving all the players the opportunity to start afresh. 61 players made themselves available for selection. 39 had the opportunity to play in the seniors. The task in managing 40 players after the senior 21 was selected, was the biggest challenge. I think we managed that OK.

To the trainers – You all worked great as a team and provided good support to all the players.

To Bill Jowett & the senior committee, thanks for my appointment and continued support.

To my support group of Pat Lanagan, Steven Boyle, Graham Carr, Alan Lake, Dennis Flynn, Tom Mitchell, Athol Porter, Basil Guy & Max Grimmer. THANKS.

I'd also like to thank the sponsors for their great support of the club and players.

David Rogerson – Thanks for the great friendship and help throughout the year.

To all the players that supported the reserves program that required some 5-6 players not getting a run each week. Thanks for your help throughout the year for your performances when given the opportunity. Managing a rotation program that allowed all players to receive a game was not easy.

At the end of the home and away season we were clearly the best team with 16 wins and only 2 losses. We won the second semi quite well but unfortunately could not get past the experience of the Collegians team who had the opportunity to drop back senior players for the big one.

As I said to you all after the grand final, every game in B Grade will be played at that pace and level of commitment. We'll learn from the experience & hopefully your desire to succeed in that grade is your next challenge and that of the club as a whole.

Congratulations must go to the seniors. You played great football and deserved your success. Whilst it was a difficult day of ups and downs for the club, we all celebrated a fantastic win.

Well done Norm & our Club Captain Stephen Anderson.

The challenge for us all now is to work on our commitment for 2002. Many of us need to improve our strengths and work on our areas of improvement, bringing them to an acceptable level to meet this challenge. This is not just for the players but the coaching staff and the committee alike.

I'm sure we can meet the challenges that are placed in front of us as we continue to strive for A Grade.

Finally thanks to all those people who continue to support me and hope that I did not let them down. It's very important that we stick together in our endeavours to reach A Grade

See You All in 2002

UNDER 19

The 2001 football season for the Under 19's could be best summed up by saying that the results mirrored the effort that was applied. We technically won eight out of eighteen games and beat all the sides that finished below us twice, however we were no match for the top five sides due to lack of numbers at times and injuries to key players.

Section Two of the under 19s is a very good competition. However, if we are to look at the bigger picture and that is, to maximize improvement as well as providing players ready for senior football, I am certain that it is in the best interests of the club to play the Under 19s in the highest grade possible.

If I am reappointed as coach there would be certain changes that I would like to see for 2002. Firstly, a pre-season program for the Under 19s, unlike this year where most did not front until February/March and secondly, training on Tuesday and Thursday nights where we do warm-ups with the seniors and then split up.

There are certain people I would like to thank. These people are Bill Jowett, Jenny Voss and the Committee, the senior coaching panel, Rob Elliott (assistant coach), John Curry (runner), Ken Probyn (goal umpire), Ian Henry (boundary umpire), Jason Cave (interchange).

A big "thank you" to the parents who helped with the timekeeping or just turned up to support us. I would also like to thank the leadership group of Marc Stafford and Dave Molino as captains, and Nick Goss and Adam Battams as vice-captains.

And last but certainly not least, Steve Guy – thanks mate. For those of you who are unaware, Steve was our team manager, organizer and even timekeeper when we needed one. From myself and the players, thanks for a fantastic year.

Lastly and most importantly, I would like to thank the players who were a fantastic group to coach. I wish them all the best with their football careers and I hope that it continues at Hampton Rovers.

JUNIOR PRESIDENT'S REPORT

First of all on behalf of the Juniors we should congratulate Norm Goss and all of his support staff on coaching our senior side to a well deserved Premiership and a move into B grade next year. The senior players should feel very proud of their achievements during the season and particularly in the finals in which they displayed great courage and fighting spirit. Well done boys on a great year. We should all be aware that about 90% of these players came from our Junior ranks over the years and this should be something the whole club should be proud of.

Tony Naumoff and his reserve players should also feel pleased with their achievements this season. Although they could not win the big one, getting into the grand final was quite an achievement, particularly with the senior's also being there.

The Juniors have been well supported by Bill Jowett and all of his senior committee. The majority of this Committee was new and it certainly worked hard in administering the club.

Well the Juniors certainly had another successful season, providing a game of footy for about 350 boys and a few girls. This season we fielded 16 sides but due to ground availability we have decided to cap the number of sides and also the number of players to 25 per side in future years.

The Club also had approximately 90 boys and girls at the Auskick program each Saturday. The Auskick program was again well run and Judy and Paul Pavlou together with all their helpers should feel proud of their achievements this year. This program is certainly a very important part of our Club and ensures we have a strong feeder for our under age teams and eventually for our senior team.

This year we had to appoint nine new coaches and they all worked hard and contributed to ensure the boys had fun and improved their football skills.

Congratulations to our MSJFL Under 9 East Lightning Premiership team. These boys were a fun bunch of boys to coach and they always gave it their best shot. Well done boys and thanks to all my support team.

Phil O'Brien in his second year as under 9 West coach should also be pleased with his contribution to our Club. Peter Derrick again did a good job with his Under 10 boys and Dale Craig should also feel satisfied with his performance in his first year as coach. We were also able to talk Billy Mirabito into a coaching comeback after a number of years in retirement. Well done Billy in helping us with our other Under 10 side.

Another first year coach in Kevin Goss, should also feel satisfied with his contribution with our Under 11 West side. Jim Westhead again was able to ensure his side remained undefeated all season, but unfortunately unlike last year could not win the big one. His boys should still feel proud of their achievements this season. Henri Battour in his first year as coach was able to steer his boys to a first semi final, which was a very good achievement by Henri and his team.

Both our Under 12 coaches were in their first year and although Russell Wynne's boys were in a tough division, Russell should be satisfied with his contribution. Jonathan Dunlevie was also one of five coaches to steer their side to a finals appearance, but unfortunately they bowed out in the Preliminary Final.

Ian Lawrence did a fine job with his Under 13 side, particularly given they were quite often short of players. Graham Emmins in his second year at the helm of the other Under 13 side also should be satisfied with his contribution to our Club.

Matt Pearson another second year coach also did a fine job, particularly given his boys were in a high division. Ben Artz again was able to ensure his side played in the finals. Unfortunately they were beaten in the Preliminary Final, but he and the guys should feel proud of the way they represented themselves and the Club.

Although the Under 16's did not win many games, Cameron McGregor in his first year should be happy with the way he coached his guys always encouraging and ensuring they gave it their best shot. The guys certainly gave it their best effort most weeks.

Our under 17 side worked hard all year to finish second at the end of the regular season. Unfortunately after a tough finals campaign having won the first final they then lost the second semi and were undermanned in the Preliminary Final. Michael Blake in his first year as coach should be satisfied and proud of the way he prepared his boys for senior football.

In addition to five of our sides making the finals, five of our teams produced players which finished in the top four in the MSJFL Best and Fairest. Congratulations to a first year player at the Club, Guy Martyn from the Under 15's and Tom Mariani from the Under 11's. Both these boys won the MSJFL Best and Fairest awards in their respective divisions. Our other boys to poll exceptionally well include Gary Giasoumi Under 17's captain (2nd), Daniel Sargent Under 12's (4th) and David Fallon Under 11's (2nd). Jarrod Sargent was also presented with the award for Best on Ground in the Under 9 Lightning Premiership (his second successive one).

The Wylie Austin Trophy which is for the best junior player in the finals series was this year won by Brendan McCallum from the Under 17's. Brendan is to be congratulated on his efforts.

Again we should not only thank the Coaches, but also the Team Managers who are required to complete all the paperwork to ensure each team runs smoothly within not only our Club's requirements, but also those of the MSJFL. To all the Runners, Trainers and all the Parents who helped with any tasks during the season, your contribution to our Club is certainly appreciated.

Off the field the Junior's Committee should all be proud of what they achieved. There is enormous work, time and effort required to ensure we field 16 sides each week. Each Committee member completed their tasks in an efficient and effective manner. Their work was always of a very high standard and their support was very much appreciated. Again I thank you all for your assistance and help during the year.

Graham Voss again continued in his role as Vice President and as MSJFL Delegate. Graham's contribution to this Club is certainly very much appreciated, not just this year, but also over previous years.

Jim Westhead was also made Vice President due to our new requirements under the revamped Constitution. Jim is another person who has contributed enormously to this Club both for the Juniors and Seniors. Jim's contribution in the football department and also with assisting in modernising the Club's constitution was very much appreciated. Jim should also be congratulated on winning the Sandringham Dragons Aussie

Coach of the year Award. This award is presented to a coach who has been nominated for his excellent service and Jim and the Club should be proud of his achievements.

Leanne Sargent again performed admirably in all her secretarial duties for the MSJFL. Ensuring all our 16 teams play at the right ground and correct time is not easy to organize, particularly with so many game changes each week. Leanne certainly did a good job in this area.

Nick Williams did an enormous job in keeping tabs on all the votes, preparing the vote counts for all our junior and senior teams and performing countless other duties during the year. Nick's assistance and contribution was certainly very much appreciated and he too is a big contributor to our Club.

Jenni Jones first year on the Committee also did a very good job in keeping tabs on where all the money goes and ensuring the money was banked quickly.

Mary Bonser should be proud of her first year on the Committee and the way she organized and handled the Social side.

Another first year Committee member Julie Jowett (no relation to Bill) did an excellent job in organizing Team sponsors, match day awards and other general sponsors. Julie worked well with Ian Lawrence who was responsible for the Senior Clubs sponsors.

The Machell family were also big contributors on our Committee. John again did an excellent job as Registration Secretary ensuring all paperwork was up to date for MSJFL purposes. Julie in her first year on the Committee took on the enormous job as Property Manager. Organizing all player jumpers, tracksuit tops and coaches and teams gear is not easy, but Julie certainly did a magnificent job.

Graham Pitts again took on the task of being the Team Managers Co-ordinator and his contribution was also very much appreciated.

Nick Giasoumi was again very helpful in providing legal advice. He has put in countless hours in updating our new Constitution and I know he has spent enormous time with the building renovations. He and I have attended all 6 or 7 meetings with Council during the past two years to ensure the building permits and the State Government and Council Grants were approved. I guess having received the \$100,000 grant is like winning a Premiership for Nick. Well done mate on a fine job.

We should also thank a number of other people who are not on the Committee, but have certainly contributed significantly to the Junior side of the Club. Don Lake for being the technical wizard behind all our Best and Fairest presentations. Tony Johannsen for managing the Bar, David Rogerson for cleaning the Clubrooms and Michael Lake for marking the boundary lines each week.

It would also be remiss of me not mention our previous Junior President Sally Williams who put in enormous time and effort in the previous two years as President. Sally's encouragement and support again this year was very much appreciated.

The Club also relies on the support of all our sponsors, without your contribution it would be very difficult for the Club to put all 16 teams on the park each week.. We appreciate all sponsors and thank you for your help.

JOHN CESARIO
JUNIOR PRESIDENT

AUSKICK

As we finalised our 14 week program for the forthcoming Auskick season we were wondering if it would be as successful as previous years. All our fears were allayed when on the 24th March we had our first session with in excess of 90 children registered.

The next task was to ensure we had good coaches for each of our three groups. Again any concerns were put to rest as we doubt whether we could have done any better with our coaches this year, who were keen and committed. Categorising the kids into three groups our preps were under the capable guidance of Craig Knox & Lachlan Massey. The Grade 1's were coached by Michael Campion who moved up with the previous years' Preps and Judy & Paul Pavlou taking charge of the Grade 2's & above. Many thanks to our coaches for their outstanding efforts this year as well as recognising the assistance of many parents. The coaches' job is made so much easier with the help of the parents.

A new initiative this year was to have ALL of our parents go through a basic Level '0' Auskick training session. The objective was to give the parents an overview of the training methods used as well as hands on practice with the footy skills. Furthermore Auskick is a participative program and it was important for parents to understand the key aspects and teaching points of each of the skills but to also reward the children for their efforts and their skill. We invited two of the district Auskick co-ordinators to our first session and put the parents through their paces. This was an invaluable exercise and we trust everyone acquired something from it.

A highlight for our older Auskickers was the opportunity to play a Grid Game at half time at Colonial Stadium. All involved were looking forward to this opportunity (the parents were probably more excited). When the kids ran onto the ground it was like they had done it a thousand times before – it was just another game of football. However the games were played at a level never seen at any of our regular Saturday sessions. The standard was extraordinary, with the skill level exceptionally high. I am confident in saying that all who participated had a 'ball' and represented themselves and Hampton Auskick with pride and honour.

Next year we are very pleased to be 'passing the baton' to the very capable Michael Campion. Michael will be taking over as Auskick coordinator and we wish Michael and his wife Cathy, all the very best. Hopefully our other coaches Lachie and Craig will progress with their children as they continue to have fun and develop their skills.

Last, but by far least, our thanks and congratulations go to the kids. It was very rewarding to see the progress the children made on a weekly and year to year basis. It is exceptionally pleasing to see the rapid progress made in their skills and understanding of how to play a game of football.

We hope they gained something from Auskick and that their enthusiasm continues into the years ahead. We look forward to continuing our association with the parents and children we have met as we progress to the next level of Junior Footy at Hampton Rovers Football Club.

UNDER 17

Competing in the MSJFL division 1 competition the side finished second on the ladder but with equal points to eventual winner South Melbourne (13 and 3) In total we played nearly thirty players with three virtual newcomers to the game in Brendan McCallum, Nick Monaghan and Jessie Leveque. All three were good contributors and as expected got better as the season progressed. We were disadvantaged by not having four Brighton Grammar players (Ryan Joseph the exception) who had played with the club for many years. School football commitments in this case took priority over club.

The Best and Fairest winner was Leigh Cave ; a most worthy winner with his talented and courageous play especially at centre half back. It was absolutely staggering to see that the umpires did not award him a single vote in the league best and fairest. Gary Giasoumi our captain likewise showed great talent, courage and leadership to finish runner up. He also did exceptionally well in the MSJFL best and fairest as runner up with 17 votes. Brendan McCallum showed by finishing third that he is a player with a bright future. Leigh Fletcher winner of the coaches award proved to be a real acquisition especially with his pace. Leigh had football commitments with the Sandringham Dragons and despite this was able to play most games having commenced with us in round five. Kelly Spratt won most consistent player award and proved to be a very reliable defender with a good football brain. Tom McNamara winner of the most determined trophy showed that he has progressed as a footballer by adding to his already talented game with hardness at the ball.

James “Butch” McCarthy was a very steady performer at fullback and is a great competitor with strong mental toughness. James Dunne is probably the most improved player in the team and carried our rucks manfully with his physical presence. Michael Scott up forward showed that he is a highly talented player with a great future. Dave Sheahan likewise showed what a talented footballer he is up forward. Both Michael and Dave held our forward line up and work very well together. It was a real bonus to have Andrew Stone come back in round 11. Apart from his football talents he showed also that he has great leadership qualities. Although he only played a handful of games Ryan Joseph showed what a great player he was by gaining the fourth highest number of votes. Nick Monaghan and Jessie Leveque were two newcomers that had not played before but showed they have what it takes to be good footballers.

Other players that tried hard and contributed to the team were John Ansett , James Armstrong , Andrew Blake, Nick Oriti, Troy Malthouse, Ryan Brown, Jeremy Yelland, Josh Pitts, Cameron Ross, Chris Woodhams and Michael Topcu. All of these players at some stage did something to help the team We cannot understate the importance of the less glamorous things that these players did to help the side i.e tackling, smothering. Injuries saw only a couple of games from Michael Kettle and Jason Hornibrook.

Overall the team performed well although it was very disappointing to go out in the preliminary final to Bentleigh St Peters having beaten them by four goals two weeks before in the qualifying final. Six players were hit with the flu in the second semi against South Melbourne and we had a big loss. The after effects were still there the next week in the preliminary with many players still not right.

Despite this the players played courageous football throughout the season and responded well to challenges. We started the season with a win over Seaford but by the end of round seven we had lost three and won four. Having lost to South Melbourne in round seven we faced Doveton at Doveton the following week. Losing this game would have meant three losses in a row and a severe dent to our confidence. On the day we had only 18 players and a number who were injured and shouldn't have played. Coming from behind we managed to snatch victory in what was our best win for the year considering the circumstances. From this game on we didn't lose a game until the second semi. On five occasions during the season we had come from behind at ¾ time to win. Great testimony of the fighting qualities of this side. Unfortunately we had used all our credits by the time we had got to the second semi. Nevertheless we were a close knit side that gave it everything we had and succeeded in finishing equal top of the ladder on points. We beat every team in the competition and gave eventual premier South Melbourne their biggest loss for the year in the final round.

UNDER 16

Season 2001 was a new experience for myself, being coach of the Under 16's. It was one I was looking forward to, after the Under 15's the previous year were runners up. Over the summer we held on to 14 of the previous years squad, and picked up 8 boys, 6 of whom hadn't played previously. These guys included Luke Kasperczyk, Gary Sardellis, Gary Nikiforou, Jason Bird, Sam Newton and Andrew Beddoe.

We were by far the smallest team in the competition, but didn't stop the endeavour shown by our leaders in Clarke, Willy, Kai and Jordan. The season's emphasis on such an inexperienced side was to develop the mateship, improve our skills and to get enjoyment out of sport. Throughout the year we didn't win many games, one in fact, but the positives we gained in our approach and desire will benefit the team in the future.

The development side saw many players in positions new to them, which helps in their development of the game. Jordan Corbett made a great impression at full back, Dave O'Brien starred on a wing, Imran and Alex Howkins across halfback stopped many forward moves from the opposition. New players Chris McCauliffe and Gary Sardellis in the ruck were great and Gary Nikiforou in the pocket was one of our leading goalkickers. At times our skill level was very ordinary but our greatest asset throughout the year was our aggression at the ball, led by Willy, Stan, Luke Kasperczyk and Daniel Kettle. Our more skillful players in Hill, Jones and Bejares showed glimpses of brilliance, but weren't quite consistent enough. The backline withstood strong opposition and deserve acknowledgement.

Against the stronger sides of the competition, I know we gained their respect, due to never giving in, but when we played some of the sides around us like St Bedes and Caulfield, the endeavour just wasn't there. As a close group these guys really enjoyed their footy especially our come from behind win over Ormond. These guys have an opportunity over the next few years to continue their development and become senior footballers.

To my many helpers, Troy Lynch, David Anderson, Adam Crowther, Gary and Graeme Carr, Steve Howkins, Andy and Pam O'Brien, Nick and Sally Williams and Steve Guy I thank you and the boys for your support and help throughout the year. Congratulations go out to all players whom poll in the best and fairest count along with our trophy winners. I look forward to seeing these boys take the next step to Under 17 football together, and wish everyone a happy and prosperous off-season. To the guys playing next year, we need you to grow as well as to recruit hard which will make us much more competitive.

UNDER 15

This year we had a number of players selected to represent the Metropolitan Southern Junior Football League U15 representative side. They were Beau Davies (Captain), Danny Corp, Guy Martyn, Luke Price and Andrew Ross. Each of these players achieved the high honour of representing our club in the competition playing against some of the best teams in Melbourne. The representative team played in the Grand Final and finished runners up in the overall competition.

Also, three players were selected in the Moorabbin Saints Inter-league team that travelled to South Australia to play against the Central Districts League. The players selected were Mark Devereaux, Danny Hughes and Nick Pinto.

Our Under 15 team had a very successful home and away season finishing as the top team in the competition with only one loss. This is a solid achievement in its own right. We had high expectations going into the finals. The two consecutive losses in the finals provided each player and everyone close to the team with a very valuable learning experience.

For the players in particular, each individual can use the knowledge gained during the year, and more so during the finals, to assist them in the development of their football career, and also as valuable lessons towards future experiences in life in general.

There is more to learn in football than just football! This year has been one for me where I have watched individuals develop from boys to become young men. It has been an observation that I have enjoyed during the year.

To run a football team each season there are a number of people who dedicate their time and commit themselves to make the year possible. I would with all sincerity wish to thank these people for their time and effort:

- **Dale Ross** - for his meticulous work as team manager, ensuring that all the tedious but necessary paperwork was completed each week.
- **Peter Waltham** - for undertaking goal umpiring duties and entertaining us by displaying the traditional Goal Umpire “mannerisms”. Also, a special thank you to **Sue Bell** for all her years of assistance to the team.
- **Lloyd Sharp** – the ever reliable boundary umpire, who kept his “six-pack” at bay and displayed his high level of fitness each week.
- **Robyn Pinto** - provided the players with a “sugar rush” with cordials at three quarter time for each game.
- **John Byass** - for his diligent role as time keeper.
- **John Kenney** - for jumping into the much needed role of “water boy” and ensuring our lads didn’t dehydrate during each game and training session.
- **Virginia Suleyman** - for her hospitality to the team by opening her home to the players for functions, and also washing and ironing of training singlets.
- **TO ALL PARENTS** - for meeting my high demands in getting the players to training and games at the designated times and also for your vocal support of encouragement during games.

UNDER 14

Season 2001 proved to be one of great learning for the Hampton Rovers Under 14 side. Anyone who saw the side throughout the year experienced a ride of great hope and a great amount of disappointment.

At the start of the season the coaching panel made the decision to request promotion from West division to the stronger East division on the basis of current players potential and the quality of recruitment in the summer. This decision proved to some as a step out of the team's capability, and may be that was true to an extent, but injuries are what destroyed the season for this team.

A team capable of so much. Unfortunately they did not deliver what was expected and this was due to two reasons, which were out of the hands of all concerned, injuries and physical capability.

The club may feel that this was a wasted year. However this was the developmental year which will make at least a dozen of this side quality senior footballers for Hampton Rovers in the coming seasons.

The boys battled their guts out, and the fact that they never had their full side available at any stage hurt them and all involved, but will make them the strong and committed outfit which will win the West division premiership next season. This team is a group which has developed great mateship and great respect for their teammates and the Rover jumper.

With the addition of two or three quality recruits who are already in talks with the club, and the already strong core of players, including AFL prospects Daniel Gribben, Jake Muir and Ryan Eastgate, the Rovers can look forward to a stellar season 2002 in the Under 15s.

UNDER 13 WEST (2)

The Under 13 West (2) side had a mixed season. We really started behind the eight ball due to lack of numbers and although we did manage to find a couple of good recruits we struggled with numbers all year. A couple of bad injuries and some sickness made life a little more difficult. Special thanks to the Under 12 boys who played for us every week and made a big contribution to our success.

While we had these difficulties we managed to win a few games for the season and broke a long-standing drought of no wins for the side. We were beaten in some games by better teams but in those situations I was very pleased by the way our boys fought hard and never gave up.

I was particularly impressed with the way in which the teams game improved during the year. In the second half of the year particularly the style of play changed to one where our Rovers were hard at the ball and made opposition sides work very hard. In many games the opposition sides were much taller and much bigger. Early In the year the size factor worried our team but later in the year they realised if you get the ball first you get some advantage tactically and also some support from the umpires. These lessons will really set them up for next year.

The lack of numbers meant we had to be creative with our positions during the year and the players responded well to this challenge. The team improved significantly during the season and there were a large number of players who showed significant improvements in skill levels and endeavour during the year. A number of players were also asked to play in position that they were unfamiliar with and they did a fantastic job. Well done boys.

There were many people who provided support and help during the year and I would like to particularly thank Garry and Maxine Morcom, Nick Giasoumi, Helen and John Lyall, Terry and Susan Jones, David and Marlene Goldberg and Mark Drysdale who helped out during the year.

Special mention must also be made of Russell Wynne, Mal Sergeant and John Machell who ferried the Under 12 engine to our games each week. While on special mentions I would also like to thank the assistance from two of the senior players, Tim Wilmott and Matthew Lawrence who ran training sessions for me during the year. The boys really appreciated the change.

Congratulations to all the trophy winners this year.

UNDER 13 WEST (1)

Our season began with a win in a practice match against Bentleigh, who were last year's runners-up in South division, the same division we were in.

This season we were promoted into West division, as there were not enough teams to make a South division.

Last season we made it to the finals in South, but a number of the teams we beat last year had folded, so it was always going to be a much tougher season to secure a win.

Over the summer my son and I attempted to recruit some new players. We secured one Dingley player, two Moorabbin players and another boy who played his first season for the club. All these guys had a good season and will figure prominently in the Best and Fairest count.

Unfortunately we lost our first two games by about eight goals. So at the training session before our third game I spoke to all the team individually and collectively for almost the whole of training, explaining that our intensity had to lift 100% just to be competitive. I also spoke to them about their strengths and weaknesses and asked them to work on some particular areas. Our third round match was against St Paul's who were last year's Premiers of South Division. They kicked two early goals and I thought another loss was looming, as we had never looked like beating them in previous years. Our team lifted and kicked the next eight goals straight and we won the game. This win was the most memorable one in my two years of coaching.

Other great wins for our team were against Bentleigh by 1 point and against our other Hampton Rovers team.

We ended the season with 5 wins, 8 losses and a draw.

The year was successful in that the whole team had some wins and a great time. The team ran smoothly, on and off the field, due to an organised Team Manager and many helpful parents.

Thank-you to a great bunch of kids and to all involved.

Go Rovers!!!

UNDER 12 WEST

This season was one of two halves. Firstly, we played eight games in the East – the top Division. We were out of our league. These teams were “graded” and we were not competitive at the same level. Losses of ten goals or more were the norm.

However the boys were not daunted and, to their credit, stuck to their guns and enthusiastically continued to work hard at training. Improvement came, and towards the end of the first half we began to play more as a team and not just a bunch of individuals. Good performances against top placed St. Bedes and Elsternwick (in which we had more scoring shots but narrowly lost) showed everyone that there was light at the end of the tunnel – a win was around the corner.

We moved the second division in the final six games. Immediately we scored a resounding win against St. Pauls. It was fantastic to be finally singing the club song after so many disappointing weeks. We followed this with a couple of narrow losses to final four teams and another solid win against St. Peters.

Over the course of the season, the boys developed as a team and, by the end of the year, were stringing together some quite brilliant passages of play. Many boys, unsighted in earlier games, began to flourish. By season’s end the boys were running at the ball harder, in numbers, tackling better, looking for one another and even talking more.

I’d like to mention a couple of the boys who individually had outstanding season. Daniel Sargent – our Best and Fairest – always tried his heart out and gave 120% every week. He went in hard and won the ball, even after taking heavy knocks. He obtained many possession and set up team-mates with opportunities countless times. This also earned him fourth place in the MSJFL Best and Fairest awards – well done Daniel. Nicholas Wynne – our number one ruckman – runner up in the Best and Fairest. He put in every week, mostly against bigger and meaner opposition – continued to take marks all over the ground, win 80% of the knockouts and kick goals when needed. Luke Buntz – third Best and Fairest – gutsy and committed burrowed in hard – usually on the bottom of the packs. Rorey James – ferocious tackler – great team player – will be missed at the Rovers. Steve Johnson and Sam Marks – pillars in defence – exponents of the timely mark and dash out of defence. Special mention to Craig Machell who really stepped up a level during the season. The rest of the team – were magnificent in support.

Without some of the parents help, we would not have fielded a team. Thanks to Leanne Sargent – terrific Team Manager; Paul Harkin – runner; Tony Batt – trainer; Peter Prunty/Tom Buntz/Grant Machell – boundary umpires; Mal Sargent – there when needed; John and Julie Machell – fantastic support; and to everyone else who helped. And not to forget our team sponsor “JAMES CRANES” –thank you, your support was invaluable.

I’m sure next year will be our year.

UNDER 12 SOUTH

Hampton Under 12 South had a very enjoyable year. Although we failed to win a final, the team displayed a fighting spirit that would do justice to most senior sides. The boys finished the season with a loss in the Preliminary Final and although very upset at the time, can be very proud of the effort they put in. Most smart judges thought we were very unlucky to loose but I am sure next year the lads will have a burning ambition to go a few steps further.

Although each boy contributed very well to the team, there were some great individual efforts. Kelvin Rudd, Best and Fairest winner with the record number of votes, was outstanding. It seemed whenever the team was struggling Kelvin would find a bit extra and perform inspirational tasks. None better than his left foot snap from the boundary line in the Preliminary Final. The ball sailed through post high and reminded onlookers of a young Matthew Lloyd.

Tom Curry was the engine room of the team. It seems Tom has inherited his father's tenacity and repeatedly dived in the packs and pounced on the ball like a Hampton beach seagull on a half eaten savory. His "hardball gets" were the envy of every other player in the league. Stewy McKell showed tones of class at centre half back and the Weybury brothers played like there was no tomorrow. Paul Surace's aggression at the ball was ferocious yet disciplined and Andrew Leslie worked hard in the ruck. Paul Van Der Putt showed steady improvement and Bluey Nisbett reached a milestone in 50 games.

I would like to thank Paul Curry on running the boundary all year, John Rudd for time keeping, John McKell for his efficiency as Team Manager and Peter Derrick on his valuable contributions as Assistant Coach.

I have seen a genuine improvement in the side as the year progressed and by the time of the Finals I thought the premiership flag was within reach. Although the ball did not bounce our way in the finals, each individual can feel very proud of their efforts during the season. Our team showed great passion and enthusiasm.

I am sure the boys are looking forward to 2002.

UNDER 11 EAST

2001 was probably the most enjoyable season I have experienced as a coach. We didn't win the premiership - but we won everything else. In the Grand Final we were beaten by a better team on the day. But in my opinion our grand final was a great example of what Hampton Rovers juniors is all about – We gave all our kids the opportunity of playing in a grand final – rather than adopt a “win at all costs” approach. The senior footballers can aim to “win at all costs” – but our aims are for Under 11 footballers to have fun playing footy and to strive to improve their skills and character. I think we won!

At the start of the season the kids were really excited to now be playing in a comp. That allowed tackling and they threw themselves into it! Many of our training nights included a vigorous game of “British Bulldog” – the kids loved it and it was a good way to teach them how to give and take a tackle, and have some fun at the same time.

Training became more serious and we introduced several new drills that our team needed to learn to keep improving and stay on top. There was more running at training and we concentrated on “team” issues and the importance of working together and feeding off each other's enthusiasm. New skills we focussed on were:

- Enhance skills on both sides of the body
- Learn when to kick long and when to take the short option
- Switch the play and have the confidence to “take risks”
- Learn how to “time” runs and how to get “front and centre”
- Improve creative running (running past for handballs etc)

As well as the football skills the team learnt a few “life” skills about how to treat each other and how to treat the opposition, officials etc. The team was a great group to work with and I believe they gave a great return for the efforts the coaching and support.

The team owes the staff that put in their thanks to:

Team Manager, Rick Holman

Great job holding it all together. Made my job easy.

Assistant Coach, Dennis Pappin

Always at training and did a top job coaching the boys. Dennis is off to Queensland next year and I know the boys will miss him.

Runner, Graham Emmins

A pleasure to work with a mate who knows footy and loves working with the kids

Trainer, Don Sinclair

Don put in every week, looking after the kids scratches, bumps and bruises.

We were a great team because we also had a large group of parents and helpers who put up their hands whenever asked:

Annie Emmins, Gavan and Carol Fallon, Leon Gelfand, Steve, Lyn, Kate and Sarah Johnston, Foty Karrayannis, Allan McLaughlin, Greg O'Donnell, Dennis and Bernie Pickering, Lyn Ritchens, Mitch Westhead – and my personal thanks to Paula and my family for their support.

UNDER 11 WEST

The year began with a great start as the boys convincingly won their first game against St. Peters on a rain affected ground. The boys then proceeded to win three of their next four with the only loss in the first five games coming at the hands of St. Pauls where we kicked two goals and fourteen behinds to get nicked by two points in the end. From this point on the boys had a bit of a rough patch losing five of the next six games only to turn it around and win two of the last three games. At the end of it all, the boys finished with a seven win-seven loss season which unfortunately just put them out of the finals.

We believe it was a good effort by the boys for the year and with the improvements we saw during the year, think next year will see this group playing in the finals.

As could be expected, it was a tight race for the “Best and Fairest” award with Steve Tomadin taking out the award but being closely contested by Matt Innes who finished second, Brad Trembath third, Jordan Goss fourth and Zeke Lewis fifth. Other awards presented were “Most Improved” to CJ Hartley and “Most Determined” to Zeke Lewis.

Special thanks must be given to Moe Innes (trainer), Mark Slatter (runner), Greg Trembath, Dennis Miller and Rosco for helping with training nights. We would also like to thank all parents who made game days easier by helping with goal umpiring, time keeping, drinks, etc. and just being there supporting the boys.

Finally, thanks to Janine Goss and Angie Lewis for their patience and understanding (putting up with us) during the season. Kevin and I look forward to next year.

UNDER 11 SOUTH

What a year!

After such a frantic registration night, we should have known that we would have so many players for the Under 11s. Where did they come from?

We reduced our list to 25 players and got on with the football.

Nothing beats pre-season training in the warm, balmy nights in March, but getting the Team thinking about football took a while for a couple of novice football administrators such as Scott Shelton and myself. It all seemed to move so fast that no sooner had one match finished that you were planning for the next week. This is a good time to acknowledge the support and advice we received from Bill Jowett, Scott Hamilton, John Cesario and all the experienced coaches and managers around the club.

On with the season...

Sorting players into on-ballers, backs, forwards, rucks should have been easy enough...wrong!

So many good players, not enough positions. Having 7 players regularly on the interchange soon became one of our strengths, especially during holidays and ski weekends.

The first 4 games were "interesting". Win the first game...happy, happy, joy, joy!

Second game, defeated 50-something points to nil. Ouch! Hurt pride all around.

Third game hard-crunching game, result: loss.

Fourth game, comfortable win... thank goodness for that.

We finished the first half of the season 3 & 4. We found out that we had a tough bunch of players. We weren't the biggest Team in the league but we were smart and learning all the time. We could run all day and consequently could run over the opposition in the second half. But we had to improve our first half efforts to be more competitive.

Now for some of the highlights...

Round 9 Vs Dingley at David St (remember when someone beat us by 50-something points, that was them). Tackle bags came out at training, Scott was just as fired up as the players were. Trained hard, bumped hard, second efforts, clean ball handling, great preparation.

The reward, a gutsy four quarters that resulted in a win. More than just a great win it was total Team commitment. Confidence was high.

We finished the second half of the season 6 and 1, only losing to the top side. All credit to the Team. They were prepared to try some new strategies to enable them to be in front by quarter time and it paid off.

Finishing in the top four was a pleasant surprise as we had to win the last game to secure a spot. We played Moorabbin United in the Semi Final, it was one all between us and, as we know, "anything can happen in the finals".

In the end only 2 points separated the two teams. Some individual efforts kept us in the game but this time things just didn't go our way. The next time we play finals football we'll have the edge.

Participation, improving skills and teamwork were the goals, singing the Club song as often as we did was a bonus. What a year!

PS : Thomas Mariani winning the MSJFL Best & Fairest topped off a great year. Well done.

It has been a great year for all the boys and girls going through the home and away season undefeated for the second season in a row.

We started the season with plenty of enthusiasm on the training track and during the year all the kids were bonding beautifully as friends and as a team. All the parents helping during training and on a Sunday made coaching a lot easier especially when you have great team managers such as Kevin and Marilyn Pattison.

The team with a few new players were fantastic all year and having such a strong side it was good to be able to swap the positions of the players around during the season. The improvement of all the players is great for the future of the club. All the kids loved having the parents at training and when possible assisting. Special thanks must go to assistant coaches Kam Atkins, Neil Green and Patric Jende and to Paul Sigmont (world's best trainer).

The season did not finish as well as we would have liked. In the Lightning Premiership we won all three games easily before drawing the preliminary final in extra time we were unable to get over the line losing by 4 points,. The boys were magnificent all day and gracious in defeat.

Congratulations to all our trophy winners.

A special thank you to all the parents who helped during the year making life a lot easier and a lot more enjoyable. There is too many to name. A big thank you to Naomi for being so supportive with kids in three teams. Thank you to Gary (Zoot's dad) of 'Film Think' for many great hours of work producing the video highlights of all our little heroes.

A big thank you to John Cesario and all of the Junior Committee for their help and assistance during the season. To Nick Williams for the great job you do producing the (Oscars) best and fairest night and finally to our team sponsor, John Cesario of Winchcombe Carson for their continuing support.

UNDER 10 EAST (2)

It was another great year. Hampton Rovers U10E(2) is a close knit community – players, parents, grandparents and a stack of brothers and sisters, contributed to another successful year. Our team finished sixth on the ladder – winning eight out of its thirteen games and battled on bravely in the Lightning Premiership to be just beaten in the semi-finals. Thirteen players from the Under 9 Premiership team of 2000 went up to form the nucleus of this year's squad. In the early part of the season players had to be recruited from the Under 9s to help out but due to some successful recruiting work by the mums the team quickly grew in number to be twenty one players.

The coaching staff endeavoured to achieve three objectives at the beginning of the year – to have FUN, develop new SKILLS and perfect others and encourage the naturally skilled players to take an “on the field” LEADERSHIP ROLE. We had FUN! We started the season with a fin team practice at the Hampton Primary School – Mothers Day photos and card – Dragon Ball Z Colour-in competition – The Wish List – The Mars Bars Skins – The Sleep over at the Hampton Scout Hall and our break-up party at InSports. At the end of the year our SKILL level had developed – the boys acquired the ability to understand what staying in a position meant – mastered the art of the drop punt, handpass, kicking to a target – and worked together with become a feared fighting unit in the competition. As the season progressed we had nominated team leaders on the backline, forwardline and in the centre.

The success we had on the field can be attributed to a lot of constructive work by out parents .David Goldberg stood up and never faltered as our Team Manager – his strong competitive nature and knowledge of the game led to him taking on a forwards coaching role as the year progressed. Colin Silvester, our illustrious runner, put to positive use his chiropractic knowledge in assessing the boys injuries as well as restructuring his work program so as he could be available every Wednesday night for training. StevenYoul, our enthusiastic trainer, was always on hand with good football advice and was revered by the boys for the many gifts and giveaways he supplied throughout the year. Our Voice with the mums, Kaye O'Brien, handed out countless newsletters – organized the awards for the many giveaways we had throughout the season and never let the team down.

Where some teams struggled to have one or two parents at training – we had heaps – a special thanks to Jim and Marcia Clarke, Beau and Helen Rasmussen, Mark Hooy, Graham and Tim Bonser, Mick and Alex Chapman, Geoff Long, Marcus Zielonka, Russell Sheather and Mick Newbound. A special thank you to Geoff Long for assisting with the team managers role and coaching in the latter part of the season. A thank you to Graham Bonser for organizing the sleepover at the scout hall and Greg Alt for buying the pizza.A thank you for Jeanette Silvester for printing the newsletters and the Mothers Day cards and to Karen Hooy for the excellent photo snapshots.

Congratulations to the Trophy winners **Best & Fairest – Stewie Lionhart Hooy;** **Runners Up Best & Fairest – Tricky Ricky Jones and Tom the skilled You;** **Most Courageous – Alexander Zander Dick;** **Most Skilled –Mr. Magical Marley Collins;** **Best First Year Player – Brad the lad Sheather.** To all the other great champions – Big Booming Benny Leopold, Andrew Longy Long, Titanic Tristan Silvester, Slammin' Sam Bonser, Lucky Luke Goldberg, Thumpin' Philip Carmine, Sammy Spud Zielonka, Jesse the Juggernaut Craig, Bustling Ben Clarke, Harry the Wizard Chapman, Dan Razza Rasmussen, Jumpin' Jack Newbound, Dan the man Holmes, Johannes the Viking Berg and Oscar Galt the Colt – WELL DONE.

With our strong list of talent, 2002 promises to be an even better year. So when the leaves start to fall, be ready to get the ball. Enjoy the break.

P.S. Thanks team for giving us parents so much pleasure.

UNDER 10 WEST

After agreeing to be the Under 10 West coach for 2001 the season started with my having a major operation on the shoulder. Some would say it should have been on the thing that sits on the shoulders but nevertheless, whilst recovering, this really emphasized the importance of a good support staff, and I must say, I believe we had the best.

My thanks to “Big Mac”, our team manager, whose paperwork and organizational skills were impeccable. My assistant “Lightning Joe” whose enthusiasm and encouragement was always there and, of course, Peter, the “P.R. Man” for his humour and dedication to the team. Although short on numbers and a little out of our depth in west division, our team at the start of the season was the whipping block for the other teams. But we persevered teaching a new skill each week, having a wish list which granted and enabled each boy to play I his chosen position. This gave every player the opportunity to show their full potential.

By the year’s end, our boys were more than competitive. We won two out of the three games in the Lightning Premiership, missing the third by one goal. A great effort boys.

I would like to thank Darcy, Jazza, Cam, Plugger, Yap Yap and Nathan for helping to make our numbers. We would also like to thank John Cesario (Junior President) and Mal Sargent (Junior Coaching Co-ordinator) for their support and assistance.

Congratulations to Will (Best and Fairest), Josh (Runner Up) and the rest of the trophy winners.

Last but not least, a big thank you to the best group of parents who supported the kids so admirably. Let’s hope we see you all next year.

UNDER 9 EAST LIGHTNING PREMIERS

What a season, we only kept six of last year's premiership side and we picked up a number of new boys that not only played good football, but hopefully enjoyed the season and had fun. All players improved from the start of the year to the end.

The start of the season commenced with a number of good performances and we only lost one game during the home and away season, by two points to St Bede's. It was a credit to all the boys that on the lightning premiership day we beat them twice, after they used different tactics to try and beat us in the second game.

Again this season our team work stood out and the boys should be proud of the way they helped their team mates. The boys kicking, marking and handballing improved throughout the season. The kicking to team mates was also very good. Another important area that we excelled in was in sportsmanship, which is a very important part of any sport and regardless of the result should always be encouraged.

On lightning premiership day we again only lost one game, which was the third game. We then went on to win our semi final against St Bede's by 17 points. In the grand final we played Ormond, a team we had beaten earlier in the day after the siren. Our determined boys again stood up to the challenge to win a tight struggle by 9 points.

Congratulations to Jarrod Sargent for again winning the Best and Fairest and also being voted the best player in the lightning premiership for the second year in a row. Cameron Sharp also had an exceptional year finishing second in our B & F and also providing the side with a classy goalkicker. Max Slonim had a great year and finished third in the B & F in his first year of footy. Grant Maglio also should be commended for rucking most of the year and he was also a worthy trophy winner. Another first year player, Griff Miller should also be pleased with his season and trophy win.

The remainder of the premiership side should also be proud of their efforts. The first year players were Liam Ellis, Sean Mc Kellar, Stuart Crampton, Patrick Hosking, Robby Caric, Ed Carmine, Jake Barker, Declan Mc Carthy, Chris Long, Tim Jones, Liam Goldberg, Rohan Libbis, Michael Burton, Lewis Mather and Gus Heil. The second year players included Nathan Cesario, Andre Jowett and Lochie De Lisle.

Our support staff should also be commended for their efforts. **Big Al (Allan Jones)** was again a tremendous Team Manager and organizer of rosters and other duties. He did an exceptional job with writing our witty newsletter each week. **Lloyd Sharp** was again our trainer and his efforts were very much appreciated by all the boys and parents. **Mal Sargent** also did a great job as runner and his suggestions were very much appreciated, his drink card on our premiership night also came in handy. A special thanks to our wives who put up with our crazy antics and time away.

To all the parents that helped in some way during the season thanks for your assistance and positive feedback. A special thanks must also go to our team sponsor **Lou Maglio** from the **Entire Group**, whose efforts are very much appreciated.

The Committee who worked tirelessly from before the season started to now, we thank you for all your time and effort. Without all your hard work we would not be able to efficiently run this Club.

Again to all the **Premiership Boys** Well Done on a great season and we look forward to another enjoyable year next season.

JOHN CESARIO - COACH

UNDER 9 WEST

**SPONSOR: MOORABBIN DENTAL GROUP

Trainer	Bryan

TROPHY WINNERS

Best and Fairest	Michael Karayannis
Runner Up Best and Fairest	Toby Derrick
Most Courageous	Louis O'Keefe
Most Improved	Will Johnston
Best in Finals Series	Nick Parkinson
Best Team Man	Tom Hamilton

UNDER 9 WEST

The year started off in a blaze of glory! Being made up of mostly first year players from five different schools, the team fired in our first assignment against Beauy Gold at Ludstone St. Young Anthony (Plugger) Houston led the team to an eleven goal win with a sensational seven goal effort. We then went on to win a couple & lose a couple, however we were always competitive showing plenty of grit. The first half of the season cumulated with a nail-biting draw on a cold Friday night in Dingley.

Finding our straps in the second half of the season, we managed to get through undefeated. The lads moved up a gear in the second last game beating Brighton East by 1 point in a “come-from-behind” effort. This was our best performance for the year, and a real thrill for the players and the very vocal parents.

What a day the lightening premiership was. We were slow out of the gates and went down in the first game but won the second game. Needing to then win the third to go into the semi-final we came up against South Melbourne, a team we had not played during the season as they were brought in from another competition to make up the numbers. We fought hard and never gave up however we were beaten by a stronger team on the day. All enjoyed the experience, and the ten players who will be under 9's again next year will benefit greatly from the experience. Nick Parkinson showed plenty of courage & determination winning the trophy for best player in the Lightning Premiership.

Our end of season trip was held at Moorabbin bowl. Fun was had by all and after the game we wolfed down a hotdog & drink and then went off to the vote count. As we've come to expect this night was a tremendous way to cap off the season. All the kids (and parents) enjoyed the fantastic presentation. Thank you to Nick Williams and everyone behind the scenes who volunteered their time and contributed to a very successful night. Congratulations to Michael Karayannis & Toby Derrick who were our B&F and runner up respectively. The final difference of one vote between them reflected that they both contributed consistently all season as team leaders.

A big thank you to Andy Gubbins (Assistant Coach), Tony Gale (Team Manager) & Bryan (Trainer) for their efforts during the season. They were not only great support to myself but ensured the kids had fun and kept them in line if required. Also we very much appreciated the efforts from John, and the committee in ensuring all the details were looked after...i.e. we were able to train..had the gear we needed (tks Julie) and were well informed on what was happening.

PHILLIP O'BRIEN – COACH
